**Sunday, April 25<sup>th</sup>  
2:00 p.m.**

**The Meeting House  
Tiverton Four Corners**

3850 Main Road, Tiverton

*The photography of Geoff Dennis is used by the R.I. Chapter of the Nature Conservancy, Audubon Society of R.I., U.S. Fish and Wildlife, and Cornell University's Birds of North America online to support preservation of the natural world, and in particular, our Sakonnet region.*

Geoff Dennis ©Jeanne Parente

*Geoff has observed over 180 species of birds, including RI's first recorded sighting of the Rufous Hummingbird, along with discovering and photographing New England's first Virginia's Warbler sighting in Maine. He currently photographs for three major bird feeder companies. Geoff is a commercial fisherman and lives in Little Compton with his wife, Emily.*

**Free and Open to the Public**

Sponsored by the Tiverton Open Space Commission and the Tiverton Land Trust.  
Venue provided courtesy of The Meeting House.
